Information Sheet for Annual Parish Council Meeting Wednesday 11th November 2026

5.1 Clerk's Report

Correspondence:-

- Email from a member of the community with a request for the parish council to consider the National Emergency Briefing. Full details circulated to members, https://www.nebriefing.org/the-film?utm_source. **Item 6.4 of the agenda. Further email from 'HerefordPrepared' circulated 30.10.26.**
- Query received from a resident regarding footpaths. Clerk had responded providing a copy of the map and link to the live map on Herefordshire Council's website.
- Fallen tree onto powerlines reported by a resident.
- Email received from a resident requesting information about when the C1221 Dews Corner to the Bull Ring crossroads is to be resurfaced. Clerk has advised that the parish council are aware of the poor state but there are no scheduled works and that s.106 plans have been delayed because of the current road condition.
- Parish Summit recording circulated to councillors.
- HALC Ten Things circulated
- Email received from a member of the public requesting consideration of an additional defibrillator unit in the village due to a recent emergency which resulted in a trip to the hall where the lock code wouldn't allow access.

Updates:-

- Pavement adjacent to the B4349 near schools reported for sweeping. Work since completed by the lengthsman.

Planning Decisions – FOR INFORMATION ONLY

None to note.
